Fall 2020 Guidance – Secondary

Student & Staff Safety Protocols for Screening & Isolation (page 1)

General

All students and staff will be screened for COVID-19 symptoms regularly and individuals who show symptoms will be separated and sent home.

Screening Protocols *UPDATED Sept. 17, 2020*

- Staff will be required to self-screen for COVID-19 symptoms prior to reporting to work each day.
- Parents/guardians are expected to screen their students for COVID-19 symptoms each day prior to sending their student to school:
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Loss of taste or smell
 - Cough
 - Difficulty breathing
 - Shortness of breath
 - Fatigue
 - Headache
 - Chills
 - Sore throat
 - Congestion or runny nose
 - Shaking
 - Exaggerated shivering
 - Significant muscle pain or ache
 - Diarrhea
 - Nausea or vomiting

*If your student is exhibiting one or more of these symptoms, you will be asked to contact your student's medical provider for further guidance and not return to school. Nurses will continuously monitor the screening process and follow up with the parent/guardian on the health status of the students.

- Teachers will monitor students and refer to the nurse if symptoms are present.
- For further information and/or guidance, please refer to the section "Individuals Suspected with COVID-19."

Isolation Protocols

Student or Staff Displaying COVID-19 Symptoms

- When a student has displayed one or more symptoms of COVID-19, the school nurse will provide a clinical assessment to determine if and when a student needs to be sent home.
- Students who are ill will be separated from their peers and should be picked up within 30 minutes and no later than one hour from the time the campus contacted the student's parent/guardian.
- Other students will be removed from the classroom and taken to an alternate location on campus (e.g. go on a walk outside, move to a different classroom, etc.) so that the classroom can be disinfected.

Fall 2020 Guidance – Secondary

Student & Staff Safety Protocols for Screening & Isolation (page 2)

- District communication will be provided to the parents of students who came in contact with a COVID-19 positive student or staff member.
- Staff members displaying COVID-19 symptoms will follow district protocols including isolation from students and other staff members.

Individuals Confirmed with COVID-19

Any individuals with a lab-confirmed COVID-19 positive test may return to school or work when the following criteria are met:

- At least one day (24 hours) has passed since recovery (resolution of fever without the use of fever-reducing medications); and
- The individual has improvement in symptoms (e.g., cough, shortness of breath); and
- At least 10 days have passed since symptoms first appeared.

Individuals Considered At-Risk of Exposure

An individual who meets the definition of close contact and at-risk exposure can return to school or work after the 14-day quarantine period expires with no signs of illness.

Individuals Suspected with COVID-19

If an individual who has symptoms that could be COVID-19 is not evaluated by a medical professional or tested for COVID-19, the individual is assumed to have COVID-19, and may not return to school or work until they have completed the same three-step set of criteria listed above.

If the individual has symptoms that could be COVID-19 and wants to return to school or work before completing the stay at home period, the individual must:

- Obtain a medical professional's note clearing (must include date of return to school) the individual for return based on an alternative diagnosis; or
- Obtain an acute infection test (at a physician's office, approved testing location, or other site) that comes back negative for COVID-19.

LAMAR CISD

September 16, 2020

Lamar CISD Parents,

Through an extended waiver from the U.S. Department of Agriculture (USDA), Lamar CISD will provide free meals to all students from Sept. 21 through Dec. 31, 2020.

On-Campus Students

Lamar CISD students attending on-campus instruction will receive breakfast and lunch at no cost beginning Sept. 21, 2020. Free meals for all students will continue through Dec. 31, or pending available funds through USDA.

Once this waiver expires, the District will switch back to the School Lunch and Breakfast Program. Free and reduced meal applications must still be submitted for the 2020-2021 school year to determine benefits after the waiver ends. Visit www.schoolcafe.com to apply online.

Virtual Students

Free curbside meals are available to students participating in virtual learning, as well as children 18 and under who are not enrolled in Lamar CISD. Child Nutrition will be providing contactless curbside pickup on Mondays only.

Meals will be placed inside of vehicle trunks, truck beds and/or backseats. Families will receive a multi-day meal kit consisting of five breakfasts and five lunches. Families are required to complete an online form every Wednesday by 8 p.m. prior to meal pickup. Meals will not be provided if the form is not submitted.

Parents must provide documentation if you haven't previously received a car placard. The following are acceptable forms of ID:

- Current student ID issued by the District;
- A schedule, or any correspondence from the school with the student ID number on it.
- If the child is not enrolled in Lamar CISD and is not present during meal pick up, the parent must present a birth certificate for each child they're picking up for.

Parents may add funds to their student's meal account for a la carte purchases and in preparation for when the USDA waiver ends. Parents can use the online payment method through www.schoolcafe.com.

For additional guidance, or to add your email to the weekly order form, please contact the Child Nutrition Office at 832-223-0180 or visit the [Child Nutrition Facebook page](#).
