

Order Your Child's Back to School Supplies

Get your child's school supplies packed and delivered to the school. The supply packages will be waiting for your child in their classrooms when they arrive for the Teacher Meet and Greet.

The teachers and PTO have worked together to ensure that these supply packs are what your child will need for the upcoming school year.

You can order your child's school supplies two ways. Order online until June 12th or fill out the forms coming home in your child's Wednesday folders this week. Order forms and payments sent to the school will need to be turned in by June 1st

To order online go to:
