

Beanstack Reading Challenges – November 2023

We are falling into November with two Beanstack Reading Challenges.

When you log your minutes for one challenge during the month of November, those minutes go towards both challenges. Our reading challenges can be accessed through Beanstack located in ClassLink.

Adventure Awaits (continued from last month) – This is a **district-wide** reading challenge and students must read and log at least 540 minutes from September 18th - November 18th, 2023. Students who complete this challenge will earn a Brag Tag from the library, but they will also be entered into a drawing for prizes awarded by our district. Libraries are also having a competition during this reading challenge, so please help get your Dolphins logging their reading minutes so our school can be one of the top three participants!!! Currently our school is in 6th place. Reading minutes can be backlogged to the beginning of this challenge.

Read Grateful – To complete this challenge, students must read and log at least 300 minutes during the month of November. This challenge runs from November 1-30, 2023. Students who complete this challenge will earn a Brag Tag from the library. Let's practice an attitude of gratitude!

Remember, the goal for our Dolphins is to develop the good habit of reading at least 20 minutes each day, 5 days a week, while keeping track of their reading progress.

Students who complete either or both challenges will have their reading accomplishment added to the Beanstack Wall of Honor.

Have Questions? Please contact our librarian, Mrs. Bromonsky, at joanne.bromonsky@lcisd.org.

Happy Reading and Logging!
