

# NEW SCHOOL HOURS

## EFFECTIVE 2023-2024 SCHOOL YEAR

As one of the fastest-growing districts in Texas, it is our responsibility to anticipate and respond to the needs of our students, parents, and staff – now more than ever.

With campuses stretched across 385 square miles, our families and staff have spent the last two years combatting bus driver shortages and long transit hours, and the challenges have only increased.

To alleviate these growing pains, our Trustees approved new school hours at the February board meeting. We have designed the following four-tier system, which will be implemented at the beginning of the 2023-2024 school year. This shift ensures that we have enough drivers for each route and eliminates the need for comeback routes.

Our commitment to serve the community is strong. Thank you for staying engaged. Your involvement ensures that our District carries on a proud tradition of excellence.
