Bond 2020 Impact to Homeowner

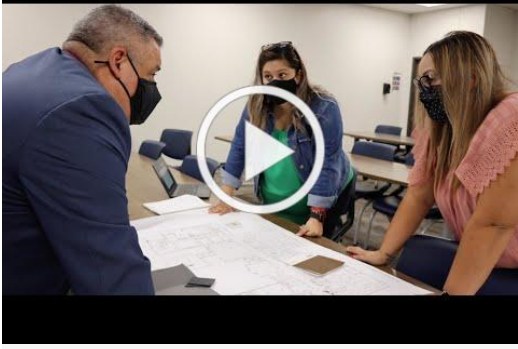

Bonds will be sold over a period of years to reduce the impact on the tax rate. Since 2003, Lamar CISD has passed five bond elections totaling more than \$1.3 billion and has maintained a steady total tax rate for the past decade, with a decline in the total tax rate in each of the last two years.

If all propositions pass, Lamar CISD residents with a taxable value of \$75,000 could see an estimated debt service tax increase of approximately \$5 a month or \$60 a year after all bonds have been issued. However, senior citizens whose property taxes are frozen would not be impacted.
