2022 - 2023 ID Badge Information

This year, as an increase to our safety measures, every student is required to wear an identification badge at all times. This new requirement is just one of several new safety additions the District is incorporating this year.

The safety card contains [Lamar CISD's Standard Response Protocol](#), important emergency numbers, as well as a QR code that links directly to the District's anonymous tip line.

SMART Tag

The SMART tag system helps increase safety and security for students riding on a school bus, leveraging technology to improve student management and communications on school buses. SMART tag monitors student loading and unloading, providing real-time information to the Transportation Department, and you, the guardian. Be sure to stay in the know on all of the latest information related to your student's SMART Tag by clicking below.
