

REASSESSMENT

A teacher shall provide corrective instruction and one reasonable opportunity to reassess failure to master the TEKS/Curriculum in each daily grade. The highest possible grade that can be earned and recorded on the reassessment is a 70.

The teacher will make a note in the electronic grade book of the dates and grades of the reassessment.

A teacher shall provide corrective instruction and one reasonable opportunity to reassess failure to master TEKS/Curriculum on each test grade. Teachers will re-teach and allow students an opportunity to retest the objectives not mastered. The highest possible grade that can be earned and recorded on the reassessment is a 70. The teacher will make a note in the electronic grade book of the dates and grades of the reassessment.

Students whose rate of learning will not meet successful mastery of grade level material will have interventions monitored through the Rtl process.

EXCEPTIONS

The following assessments are not subject to the reassessment guidelines:

Elementary:

- DRA
- TPRI and Running records
- Student projects
- Elementary Curriculum Checkpoints

Secondary:

- 6 week exams
- Semester exams
- Student projects
- Proficiency and benchmark tests
